Penny,
I would like to use an image from the following review article for my dissertation.

- The author's name: Blake DJ, Weir A, Newey SE, Davies KE
- The article's title: Function and genetics of dystrophin and dystrophin-related proteins in muscle
- The volume number: Vol 82
- The first and last page of the article: 291-329
- The year it was published: 2002
- The figure/table number: Figure 1
- The name of your University: Virginia Polytechnic and State University.

Thank you for your help
