Dear Ms. Pautz:

You are welcome to use the image from our website. Please give DEQ credit -- such as "image courtesy of the Virginia Department of Environmental Quality." or something similar...Thank you for asking.

Subject: Request to Use DEQ Regional Office Graphic

Ms. Monroe,

I am a graduate student at Virginia Tech and am working on my dissertation that concerns environmental regulation at the state level. I am writing to request permission to use the figure located on DEQ's website (http://www.deq.virginia.gov/regions/homepage.html) that depicts the state of Virginia divided into seven regional offices in the text of my dissertation to visually represent the breakdown of Virginia into regions. I am unsure how to proceed at this juncture and was hoping you could tell me if there is anything more formal I need to do to request the use of the aforementioned graphic.

Thanks for your assistance.

Respectfully,
Michelle
