I am completing a doctoral dissertation at Virginia Tech. entitled "The Influence of Emotion on the Risk Perception and Situation Awareness of Clinicians." I would like to seek your permission for using your CDC UPs 15-Item questionnaire from your previous study for my dissertation:  

The requested permission extends to any future revisions and editions of my dissertation, including non-exclusive world rights in all languages, and to the prospective publication of my dissertation by UMI Company. These rights will in no way restrict republication of the material in any other form by you or by others authorized by you. Your signing of this letter will also confirm that you own [or your company owns] the copyright to the above-described material.  

If these arrangements meet with your approval, please sign this letter where indicated below and return it to me in the enclosed return envelope. Thank you very much.
