Dear Professor Field:  

I am completing a doctoral dissertation at Virginia Tech. entitled "The Influence of Emotion on the Risk Perception and Situation Awareness of Clinicians." I would like to re-confirm your email permission on 02/10/2009 to use your risk perception items in my questionnaire for my dissertation:  

The requested permission extends to any future revisions and editions of my dissertation, including non-exclusive world rights in all languages, and to the prospective publication of my dissertation by UMI Company. These rights will in no way restrict republication of the material in any other form by you or by others authorized by you.  

If these arrangements meet with your approval, please sign this letter where indicated below and return it to me in the enclosed return envelope. Thank you very much.  

Sincerely,  

William Lee

Actually, the copyright notice is in the journal, for the journal, so I don't know who owns the copyright.  

And where is my enclosed return envelope?
