ACKNOWLEDGEMENTS

Thank you God for giving me the gift of sight.

I would like to thank my family who has supported me throughout my life and all of my educational endeavors, even my wish to major in metals and jewelry at SCAD. And what do you plan to do with that degree, Laurel? I would also like to thank Jason who has not only supported me and shared in my joys, but has also suffered through six years of the educational roller coaster right beside me. And finally, thank you to all of the professors and advisors who have shared their knowledge and expertise with me.
