Dear Dr.Onda,

How are you doing recently? This Richard from CPES. Do you remember me? I am the guy give a report about device loss model in VRM Quarter Review. I am currently writing my Master Thesis and some pictures inside my thesis need the permission from Renesas. I think probably you can help me to forward this email to the right person.

These pictures are:

Fig 3.1 in Page 25
Fig 3.3 in Page 27
Table 6.2 in Page 75

Thanks very much.
