Dear Ms. S. Adams,

**ADVANCES IN HUMAN PERFORMANCE AND COGNITIVE ENGINEERING RESEARCH, Vol. 4., No. 1, pp 249-280, 2004, Kaplan, “Cognition in Natural Settings…” Figure 1 Only**

Proposed Use: To be published in your Master’s Thesis called *An Investigation into the Convergence of Members of Disciplinarily Heterogeneous Student Design Teams onto Similar Mental Models.*

As per your letter dated 22 May 2007, we hereby grant you permission to reprint the aforementioned material at no charge in your **thesis** subject to the following conditions:

1. If any part of the material to be used (for example, figures) has appeared in our publication with credit or acknowledgement to another source, permission must also be sought from that source. If such permission is not obtained then that material may not be included in your publication/copies.

2. Suitable acknowledgment to the source must be made, either as a footnote or in a reference list at the end of your publication, as follows:

   “This article was published in Publication title, Vol number, Author(s). Title of article, Page Nos, Copyright Elsevier (or appropriate Society name) (Year).”

3. Your thesis may be submitted to your institution in either print or electronic form.

4. Reproduction of this material is confined to the purpose for which permission is hereby given.

5. This permission is granted for non-exclusive world *English* rights only. For other languages please reapply separately for each one required. Permission excludes use in an electronic form other than submission. Should you have a specific electronic project in mind please reapply for permission.

6. This includes permission for UMI to supply single copies, on demand, of the complete thesis. Should your thesis be published commercially, please reapply for permission.

Yours sincerely,

Dear Educational Technology Publications:

I am completing a Masters' thesis at Virginia Polytechnic Institute & State University entitled "An Investigation into the Convergence of Members of Disciplinarily Heterogeneous Student Design Teams onto Similar Mental Models." I would like your permission to reprint in my thesis an excerpt from the following:

The excerpt to be reproduced is: the **figure of dynamic team situational awareness**

**Educational Technology Publications**  
Figure of Dynamic Team Situational Awareness

The requested permission extends to any future revisions and editions of my dissertation, including non-exclusive world rights in all languages, and to the prospective publication of my dissertation by UMI Company. These rights will in no way restrict republication of the material in any other form by you or by others authorized by you. Your signing of this letter will also confirm that you own [or your company owns] the copyright to the above-described material.

If these arrangements meet with your approval, please sign this letter where indicated below and return it to me via postal mail at the address listed above or via email in pdf form. Thank you very much.

Sincerely,

Shawnette K. Adams

**PERMISSION GRANTED FOR THE USE REQUESTED ABOVE:**
