Kind regards

Sorry, did you get Dr. Rassades's signature on your original request?

Linda Chiristman, DVM, MS. DACVM

Hi,

Thank you.

Grateful,

Because permission granted, is the permission request with the signature the proof that permission to reproduce is needed? I did get Dr. Rassades's signature on the request. I just expected that the document itself would say "Yes," that is fine, with all acknowledgment to source. Will print off and file in our permissions folder.
